

# We're Recruiting!

At South Witham Academy, we have a friendly, committed PTA, and although we are small, we are mighty! All the money we raise goes to enriching the children's learning.

## What's involved?

- Help build closer relationships between the staff, parents and others associated with the school
- Attend meetings once a term
- Come up with fundraising ideas
- Engage in activities which support the school and advance the education of the pupils attending it
- Raise much needed funds for facilities or items for education at the school
- Allocate funds where appropriate
- Assist at PTA events organised for the children

In order to continue, we do need the support of parents, so if you are interested in joining the PTA, please speak to Mrs Caucutt at reception or email [enquiries@south-witham.lincs.sch.uk](mailto:enquiries@south-witham.lincs.sch.uk)
